

CHAMPION® LX SERIES AIR CONDITIONERS

TC17 TWO-STAGE AIR CONDITIONERS

ChampionHomeComfort.com

UNRIVALED RELIABILITY AND SUPERIOR COMFORT.

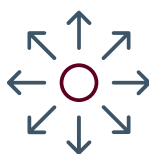

Through pride in workmanship and dedication to quality, Champion® air conditioners are built to meet the challenge. Always leading, never compromising, Champion® air conditioners are equipped to take on the toughest conditions with reliable performance and energy-saving efficiency.

GAME-CHANGING FEATURES: CHAMPION® LX SERIES TC17 AIR CONDITIONERS.

EFFICIENT COMFORT

- **Two-stage compressor** provides quiet, efficient operation.
- **ENERGY STAR®** certified performance means greater energy efficiency.

SYSTEM FLEXIBILITY

- **Compact footprint** allows the unit to fit in tight spaces – without limiting performance, capacity or efficiency.
- **Humidity control** through two-stage operation enables longer run times compared to single-stage equipment.

TRUSTED QUALITY

- **Unmatched warranties** include a 1-year Labor Limited Warranty, 10-year Parts Limited Warranty and a 10-year Compressor Limited Warranty.
- **Design, engineering and assembly** in the United States allows us to closely monitor and improve processes that directly affect quality.

COMPLETE CONTROL, ANYWHERE YOU GO.

With the touch of a screen or the swipe of an app, you're in complete control of your home comfort with the Champion® Hx™ Touch-screen Thermostat. As part of the LX Series home comfort system, the Hx™ thermostat provides local or smartphone-based remote control to LX Series furnaces, air handlers, heat pumps and air conditioners at the touch of a finger.

MANY COMFORT OPTIONS FROM ONE HOME COMFORT LEADER.

Champion® has many options to best suit your home's requirement and your needs.

COMFORT WITHOUT COMPROMISE.

 **Advanced manufacturing**
State-of-the-art quality control and assembly processes built upon the manufacturing expertise of Johnson Controls.

 **Optimized efficiency**
Matched components do more with less, which is why Champion® products fit perfectly in your home while delivering advanced levels of efficiency.

 **Most efficient**
Select Champion® residential products are recognized as ENERGY STAR® Most Efficient.

QUALITY DOESN'T COMPROMISE.

The Champion® name is synonymous with unwavering quality, unrivaled reliability and proven performance.

The Champion® line of residential air conditioners is no different. We care about the performance, reliability and efficiency of each and every unit that comes off the line.

We design, engineer and assemble Champion® LX Series air conditioners in the United States, where we can closely monitor and improve processes that directly affect quality. That's why, when it comes to home comfort, Champion® is always leading, never compromising.

TC17 Split System Air Conditioners

MODEL	TONS	EER*	SEER*	DIMENSIONS (INCHES)

**Actual EER and SEER ratings may vary depending on tonnage and matched indoor component.*

Ask about ways to improve your indoor environment and protect your family's health with our Total Comfort System™ approach to indoor air quality.

ASK ABOUT FINANCING.

Ask your Champion® Contractor about available financing options. Applying is easy and, upon approval, you'll enjoy low monthly payments and financing offers.

LX TC17 AIR CONDITIONERS

At Champion®, we go the distance to deliver products that give you more. Our industry-leading warranties continue that tradition of boldly pushing further – just another reason why a Champion® lives up to its name.

Compressors are the heart of every home comfort system. That's why all Champion® LX Series TC17 air conditioners receive 10-year Compressor Limited Warranties.

10-year compressor, 10-year parts and 1-year labor limited warranties require online registration within 90 days of installation. Otherwise, warranties revert to the standard 5-year compressor and 5-year parts limited warranties.

TC17 models meet ENERGY STAR® requirements for energy efficiency.
